

COURT CHATTER

THE NEWSLETTER OF THE LSHPA

JANUARY, 2025

The 2025 season is fast approaching and lets hope the upcoming season will be a successful one. We only had 83 sanction players last year. Let's beat that this year.

It's time to resanction as some have already done. You can submit your application to AI or go on line and sign up. Hopefully we can attract new members this year and build up our membership. Don't forget, a new member can participate on a trial basis at first and then join officially later. This year the NHPA has waived the fees for Junior/Cadet players, so lets get some youngsters on the Courts.

Congrats go out the Most Improved players who have their 2025 sanctioned fees paid by LSHPA. They were recognized at the State meeting last October in Patterson and also received a plaque for their accomplishment.

They were Tiffany Thomas (Women), Julius Lovell (Elders), and Joseph Thomas III (Men).

Also congratulations to the following players who reached a membership milestone in 2024. They are Benita Williams – 20 years, and Tina Stanley, Robert Woodall, and Hilton Rhodes who made 10 years. They will receive their NHPA membership patches

The 2025 schedule is out and on the web site. There are twenty-five sanctioned events scheduled in Louisiana as well as the Tour events and World. There will be four State events this year with two in Welsh and one each in Waggaman and Patterson.

The Mixed Doubles will have a new format with partners being a 30' and a 40' player, or a man and woman team. This will be on a trial basis, and if successful will remain the format.

Hall of Fame inductions are held every second year, next being in 2025. We have two nominees submitted and they will be voted on at the Officer's meeting in February.

In Patterson the bids are out and we expect some construction to start this year for the covered courts and new concession and restroom area

Next year's World Tournament will be held in Salt Lake City, Utah.

The remainder of this issue covers the final results of the Tournaments, Leagues, etc. that were held in 2024.

Let's hope the weather this year will be bearable and we can have a successful season.
